

The Daily Market Report

PORTLAND, Sept. 11.—Reports here for several days been coming in from a number of districts where hopping is now in progress to the effect that the product was turning out considerably short of expectations in the matter of weight, the burr being of fine quality and appearance on the vine, but showing up light in the bale. For a time it was thought that this condition obtained only in a few yards scattered throughout the Valley, but the indications now are that it is quite general throughout the hop fields of the state.

As a result some of the dealers of the city incline to the belief that the estimates that have been made to date of the size of the Oregon crop this year will have to be revised. The situation has not been canvassed sufficiently to make it certain that the yield will fall materially short of expectations as to weight, but investigations are being made as the harvest progresses, and crop estimates considerably lower than those made to date are likely to be given out in the near future. That Oregon crop this year will not total more than 80,000 bales is the belief expressed by one dealer today, but he admitted that matters were too uncertain just now to permit of a final estimate.

A GOOD REASON.

Astoria People Can Tell You Why It Is So.

Doan's Kidney Pills cure the cause of disease, and that is why the cures are—always lasting. This remedy strengthens and tones up the kidneys, helping them to drive out of the body the liquid poisons that cause back-ache, headache and distressing kidney and urinary complaints. Astoria people testify to permanent cures.

Wm. Joyce, 412 Duane street, Astoria, Ore., says: "At the time I began using Doan's Kidney Pills, I was enduring a great deal of suffering from my kidneys. The secretions from these organs were so profuse as to give me a great deal of annoyance. As a result of not getting my proper rest at night, I would rise in the morning feeling more tired and weak than when I went to bed and during the day felt weak and languid. The slightest exertion caused severe pains through my back and hips. I tried liniments and plasters but did not receive any relief until my attention was drawn to Doan's Kidney Pills. I decided to give them a trial and procured a box at Chas. Rogers & Son's drug store. They helped me so greatly that I procured a further supply, used them and was sentriely cured. I am now in unusually good health and do not hesitate to attribute same to the use of Doan's Kidney Pills."
